ORDER

Government in the reference 1st read above, has constituted a Committee of Secretaries(CoS) under the Chairmanship of Chief Secretary to Government, with the mandate to undertake review of every Department of the Government with regard to the improvement in public service delivery, expenditure optimisation and revenue augmentation.To support the implementation of the mandate of the CoS, in the reference 2nd read above, a Project Management Unit-Revenue Augmentation and Expenditure Optimisation (PMU-RA&EO) is established within the Finance Department.

2. The Committee of Secretaries(CoS) in its deliberations, has inter-alia observed the high pendency of litigation in various legal fora in the State, in which Government is either the petitioner or appellant, & that the sheer volume of litigation, coupled with structural issues relating to procedures, capabilities, capacity, etc. is resulting in less than the desirable quality of engagement & thereby outcomes.

3. As the first step, vide the reference 3rd read above, the near real-time tracking of the status of legal cases involving the Government is implemented by deploying the Online Legal Case Management System (OLCMS) & designating of Nodal Officers by Secretariat Departments /HODs /District Collectrates.

4. Post-implementation of the OLCMS, it is noticed by the CoS that despite the high volume of litigation with substantial financial implications, there is an absence of established legal protocols/SoPs; shortage of legally trained staff; limited judicial procedure knowledge amongst government staff; &importantly the lack of an institutional mechanism to effectively track, analyze &manage litigation.

5. In the aforementioned context, vide the reference 4th read above, the Andhra Pradesh Centre for Financial Systems & Services (APCFSS), was tasked with establishing a lean & purposeful Legal Management Unit(LMU),& for supporting the LMU engaging a Legal Management Organization (LMO) i.e. a professionally competent organization with deep academic interest & expertise in legal cases management.
